Otherworldly Designs   Extraordinary Ideas

Portfolio

My goal is to expand my knowledge and enhance my skills in multimedia, bringing life into the imaginative worlds born from the endless creativity of the mind. I will utilize my design and technical skills to their fullest potential, developing otherworldly designs for extraordinary ideas.

Experience

Digital Multimedia Design Assistant

Harold Washington College

SEPTEMBER 2024— Present

- Developed code for Harold Washington Visiting Artist's website
- Implemented layout design created for Visiting Artist's website
- Assembled assets produced collaboratively by co-worker
